IEEE CLOUDCOM 2018

Sponsorship Packages

The 10th IEEE International Conference on Cloud Computing Technology and Science (CloudCom 2018) will be held in the city of Nicosia from 10 – 13 December 2018.

CloudCom is the premier conference on Cloud Computing worldwide, attracting at every edition more than 300 technical experts and practitioners of cloud computing technology and science from more than 40 countries, worldwide.

Sponsorship of CloudCom 2018 provides a company or an organization with a unique opportunity to increase its visibility and product awareness within a highly specialized, influential community.

Why register as sponsor?

- To obtain the International visibility; flyers are distributed all over the world in different conferences, international audience.
- To increase visibility of the company's products and services.
- For Brand Awareness & Recognition: Logo placement in a variety of places such as flyers, direct mail, brochures, websites, tickets, signage, etc. will contribute to increase brand awareness.
- Being recognized as a sponsor will communicate value and support to the participating audience.
- To be recognized as an active participant in the field of cloud computing and networking at the international level.
- To be visible in Nicosia, Cyprus as an IT-wise actor.
- To be associated to research and to the academic world.
- To broaden your competitive edge by improving your company's image, prestige and credibility.
- To improve your company's network and obtain access to the world leading researchers and businesses.
- To differentiate your company, showcasing services and products at the event.
- To receive prominent recognition for the support of the event. Each sponsor has its name printed on the conference program and is allowed to place its banners in prime locations of the event.

We are pleased to accept corporate sponsorships at the following levels:

Platinum	€8000
Gold	€5000
Silver	€3000
Bronze	€2000
