SCOPE
```
*******************************
```
Agent theory and applications
Automated reasoning
Cognitive modeling of agent systems
Collective intelligence
Collective processing
Computational biology
Computer vision
Computational intelligence
Computational security
Consensus computing
Cooperative systems and control
Cybernetics for informatics
Data integration
Data mining for social networks
Distributed intelligence
Evolutionary computing
Fuzzy systems
Geographic information systems
Grey theory
Group decision making
Hybrid systems
Information retrieval and integration
Information hiding
Intelligent architectures
Intelligent applications
Intelligent buildings
Intelligent control
Intelligent e-learning/tutoring

Intelligent image processing
Intelligent networks
Intelligent transportation systems
Knowledge integration
Knowledge representation
Knowledge-based systems
Logic in intelligence
Machine Learning
Mobile intelligence
Multicriteria decision making
Natural language processing
Optimization and swarm intelligence
Pattern recognition
Probabilistic and uncertain reasoning
Rough sets
Semantic web
Smart living technology
Smart sensor networks
Soft computing
Social networks
Ubiquitous computing
Web intelligence and interaction

SUBMISSION DETAILS
```
*********************************
```
All contributions should be original and not published elsewhere or
intended to be published during the review period.

Submitted papers should be prepared in English in LNCS/LNAI style and
should not exceed 10 pages.

Each paper is to be submitted electronically as a single PDF file through
EasyChair at: https://www.easychair.org/conferences/?conf=iccci2017

All accepted papers must be presented by one of the authors who must
register for the conference and pay the fee.

The conference proceedings will be published by Springer in the
prestigious series LNCS/LNAI (indexed by ISI, EI, DBLP, Inspec, Scopus,
etc.).

A selected number of accepted and personally presented papers will be
expanded and revised for possible inclusion in special issues in high
quality scientific journals.
