

**Research Programme**  
**Brain Research and Integrative Neuroscience Network**  
**for COVID-19**

**Summer School**

**8 - 12 July 2024**

University of Cyprus, Nicosia, Cyprus

**Maastricht University**

**Speakers:**

Prof. Alexander Sack

Dr. Jelena Trajkovic

**Ghent University**

**Speakers:**

Prof. Chris Baeken

Stefanie De Smet

**Non-Invasive Brain Stimulation**

- ✓ Participants will acquire in-depth theoretical and practical knowledge about the techniques of non-invasive brain stimulation (TMS, tDCS, tACS) as well as their use in clinical practice.
- ✓ Training on the design of research experiments with non-invasive brain stimulation techniques.
- ✓ Hands-on training on the use of tDCS και tACS.
