

ETS Board Elections 2019

Up to seven board positions of the *European Thermoelectric Society* (ETS) will be opened for election at the 17th European Conference on Thermoelectrics, to be held in Limassol / Cyprus, September 23-25, 2019.

The European Thermoelectric Society invites you to nominate your candidate(s) by email to Jan Koenig jan.koenig@ipm.fraunhofer.de containing:

- 1) Name
- 2) Address
- 3) Affiliation
- 4) Relationship to thermoelectric
- 5) And an agreement of the candidate to apply for a board position

The European Thermoelectric Society encourages the European thermoelectricians to make every effort to attract candidates from a variety of European countries, technical fields, and institutions, to best serve the Mission of the European Thermoelectric Society. Board directors are elected for a three-years term and are expected to play an active role in the European Thermoelectric Society.

The current board members are: A. Weidenkaff (President) / Germany, F. Gascoin (Chair ICT/ECT2018) / France, J. König (Secretary) / Germany, G. Min / United Kingdom; A. Burkov / Russia; Bertrand Lenoir / France; Antoine Maignan / France, Peter Franz Rogl / Austria; M. Martin-Gonzalez / Spain; Yuri Grin / Germany, D. Narducci / Italy, Eckhard Müller (Treasurer) / Germany, Theodora Kyratsi (Chair ECT 2019) / Cyprus, Luis Fonseca (Chair 2020) / Spain

The underlined members will leave the board.

The major goals (objectives) of the European Thermoelectric Society as stated in the bylaws are:

- a) To promote cooperation and the exchange of information and ideas between individuals and groups with interest in thermoelectricity;
- b) To organize conferences and training courses on the subject of thermoelectricity for members and other interested persons;
- c) To encourage collaboration in thermoelectricity in applied and fundamental research and in teaching;
- d) To bring in contact and to support and facilitate communication between industry and academics regarding business application of thermoelectric facilities;
- e) To represent Europe in international thermoelectricity organizations.
- f) To fund research projects in the field of thermoelectricity.
- g) To award a prize for outstanding merits or achievements in the field of thermoelectricity.

Please don't hesitate to submit your nominations. Nominations will be accepted until **August 1st, 2019**. Short biographies and information of the Nominees will be posted on the ETS web site shortly after. The election of the new ETS board directors will be organized during the ECT 2018 in Caen, France and further details will be announced at the beginning of the conference by the ETS president.

On behalf of the executive ETS board

Jan König (Secretary)
